To be completed by the examiners:				

- 1) | Use the following case study to answer the questions given in parts (a), (b) and (c).

“CLEAR” is the undisputed leader in the local bottled water industry because of its superior quality, smooth and refreshing nature and exclusive packaging. CLEAR is produced and bottled by a company that comes under a prestigious and diverse Group of Companies that manufactures fresh fruit juices and fizzy drink. The water bottle market is very competitive and has a variety of local and international brands competing in an aggressive manner in the Sri Lankan market. This market has to maintain very high hygiene and quality standards due to strict health regulations.

CLEAR is currently available in a range of bottles offering consumers a choice depending on their needs. Their client base is over 500 companies comprising of both domestic consumers and corporate companies including the largest Sri Lankan and multinational companies in Sri Lanka. CLEAR is Sri Lanka's premium brand of bottled drinking water which is sourced from fine springs of 100% pure water located nearly 200ft below the earth's surface. CLEAR water is purified in a unique and natural process that mimics nature, and is bottled and packed under stringent conditions using the latest machinery which are above and beyond industry standards. CLEAR comes to you in a wide range of bottle sizes that are ideal for many types of uses depending on your personal or corporate requirement. With a convenient door-to-door delivery service CLEAR ensures that customers not only get the best form of hydration with Sri Lanka's best brand of bottled drinking water, but they also get the best service. Empty bottles are bought from a lot of local and a few quality foreign dealers.

The IT company that you work for has been hired to eTransform the above company. You are asked to identify the business opportunities for this venture and develop a plan to eTransform the company to do their business, marketing, administrative tasks, payments and sales monitoring, all online, and also to expand their business to other countries in the region.

- (a) Carryout a Situational Analysis for “CLEAR” to identify the Strengths, Weaknesses, Opportunities and Threats for this company.

(10 Marks)

ANSWER IN THIS BOX

- (b) Carryout Michael Porter's Five Forces analysis on 'CLEAR' and the industry it is in and propose two (2) eBusiness strategies to deal with the situation to minimise the forces. (10 Marks)

ANSWER IN THIS BOX

- (c) Discuss the new collaborations that ‘CLEAR’ can establish with corporate customers and how the proposed new eBusiness solution could help to establish these corporate customer collaborations.

(05 Marks)

ANSWER IN THIS BOX

[illegible]
